Michelle,

Im attaching this letter that sent to Karrum Nasser last week, regarding the proposed casino legislation. Just wanted to send it to you in case it was needed for the "correspondence" file.

Thanks
Steve

Jen, Karrum,

Due to an ongoing lengthy investigation, I will be unable to attend the city council meeting tonight. I have attached a letter of endorsement from the Terre Haute Police Officer's IUPA Local 133 to this email in support of SB 354 and a City resolution in support thereof. I will do my best to attend the regular February meeting in support as well.

Thank you for including our members in this process, and please don't hesitate to let me know if there is anything else we can do to help!

Respectfully,
Steve Lockard

President Karrum Nasser
Terre Haute City Council,

I am writing to inform the City Council that the members of the Terre Haute Police Officer's, I.U.P.A. Local 133 do hereby endorse and offer our support of Senate Bill 354, for the advancement and development of a casino and entertainment facility in Terre Haute.

Our members understand that with new development and increased tourism to our community, we may face new challenges. Our members stand ready to face these new challenges, and continue to provide the very best public safety possible, which our community has come to expect and deserves.

We also understand that our city has faced its share of short falls and financial challenges of late, and we truly believe that a private investment in our community of this magnitude would not only help to generate revenue to rebuild neglected infrastructure, but advance new public works projects that our community has long needed. This investment would also be a seed of economic development, with a great potential to spur additional private investment and development, and further increase the tax base, which is necessary to maintain and advance Terre Haute's image as a welcoming, hospitable community.

We hope that you will also lend your support of a resolution in support of this investment in our community, and help Terre Haute continue to move forward and grow.

Respectfully,

A handwritten signature in black ink, reading "Stephen F. Jones".

President

Terre Haute Police Officer's
I.U.P.A. Local 133
